Shingler demands telephone money back

A. O. (Bert) Shingler, emer Lutterworth deputy-reve, is demanding the township reimburse him for money he paid into the municipality after being accused of abusing a township cell Telephone credit card, at year.

In a letter to council, Mr. Shingler said that he had contacted his lawyer about this matter. He said since council had never recognized the fact that he had paid the money, he wanted it returned. "I take that letter as a threat," said reeve Ron Gambell.

"It's just a grand stand show, but we should be prepared to fight it," said councillor Bill Valentine.

Although Mr. Shingler was never formerly charged for the alleged abuses by the OPP, he submitted a blank cheque to the council stating that an amount covering the telephone calls should be filed in.

At that time, then-reeve Patrick Conaghan ordered the clerk, Wayne Hughes, to fill in the amount of \$170.69.

At a council meeting last Thursday night, Mr. Hughes told the present council that Mr. Conaghan arbitrarily picked out calls from 1977 telephone bills and then said the total should be charged to Mr. Shingler.

Apparently some of these calls were to liquor stores in Oshawa and others were made from Daytona Beach, Florida. All were charged to Mr. Shingler's township credit card and he later stated that he thought the cards were a benefit of the job and not just to be used for township business. Mr. Shingler is a liquor salesman in Oshawa.

After the cheque was completed, Mr. Hughes said he called Mr. Shingler to find out if he was in favor of the township cashing the cheque in that amount.

I was concerned that the cheque had been pending in the files for a long time without being filled in," the clerk said council.

"Mr. Shingler said that I should negotiate the cheque," then he added, "but I don't have anything in writing."

The cheque was then immediately negotiated but on the advice of the Minden detachment of the OPP the money was put into a separate account where it has remained until now.

Council was unanimous that Mr. Shingler should not receive any money.

"He got away lucky with only having to pay \$170," said councillor Bill Prentice who was appointed to council last year after the resignation of the reeve Mr. Conaghan and the deputy-reeve.

Mr. Prentice also suggested the money should be put into the township's general account so it could be used.

Reeve Ron Gambell agreed saying "the township should have been able to use this money long before this."

The money will remain in the separate account until the clerk has consulted with the township's solicitor.

A letter will be sent to Mr. Shingler stating the legal advice the township has received about the matter and that the money will not be returned.

Haliburton, Muskoka & Hastings join to demand education grant changes

Haliburton County is planning to join forces with Muskoka and Hastings Counties councils to fight the spiralling education levies.

County council decided last Wednesday that a joint effort could be more influential than if one municipality tried to fight the province's guidelines for disbursement of grants to the boards of education.

Murray Fearrey, Reeve of Dysart et al, after discussing the matter with James Leeworthy and Douglas Hodgson, of the Haliburton County board of education, said there was little that could be done about the increased levies as staff cuts had already been made.

He said the loss of provincial grants had made the increases unavoidable.

"The only hope is working with the adjoining counties to fight the province on this matter," said the reeve.

He went on to say that the increases were going to end this year but apparently would be an ongoing thing.

"It appears the province is determined to imbalance the budget, no matter what it does to the municipalities," added Reeve Fearrey.

Wankin, Hindon and

Minden Reeve Sinc Nesbitt told council that the provincial grants were based on growth but since the growth in Toronto was 15 to 20 percent and the county's growth was just under two percent.

He suggested the grants

should work on a percentage of the growth.

"I've no doubt the board does everything it can to get grants," added Reeve Nesbitt.

Council will be contacting the other counties to get their input into what can be done to rectify this unfair condition.

Car sinks...Little wins

The Guild of Fine Arts car sitting on Head Lake in Haliburton finally sunk at 9:10 last Friday.

Susan Little won the prize of \$50 for guessing the time of the sinking.

The car, stripped of engine and gasoline had been placed on the ice earlier in the year. Tickets were then sold for the buyer to guess the time that the ice would break and the car would sink.

Rhodes opens new office

Doctor Antony Holliday-Rhodes opened his own practice in Minden, last Monday morning.

His office is located opposite Caron Fine on Highway 35.

The doctor emphasized that this office was near the hospital and the other medical centre.

"The offices here are very

flexible, the consulting room could be changed into another doctor's office if the demand is great enough in the summer. I've already had some offers," said Doctor Holliday-Rhodes last Thursday in his newly built office.

The office may be reached by phoning 286-2641.

What lake?

That was one of the first questions everyone was asking last Wednesday when these two lake trout were being shown off. The fish

weighed in at 10.3 and 15.3 pounds. But the men wouldn't tell where they caught their prizes, except that "it was one

of Haliburton's finest lakes." Pictured left to right are Dave Bentley, Kim Collins, Lynn Forsythe and Ted Nacey.

Forum '79

Ed's Note: This is the third in a series of political columns continuing the issues of the upcoming May 22 federal election.

THIS WEEK: National unity is a problem that has gained importance since the Parti Quebecois was elected and formed a government in Quebec. If your party is in power after the election what are its suggested resolutions and policies on national unity?

Patrick Daniel, NDP

"I don't think the policies of all the parties on national

unity are that far apart.

"The NDP supports the right of those who are French-speaking to have their language and culture protected.

"We are aware that Canada is a multi-cultural country with large numbers of people who have roots other than English or French.

"I have taught in high schools for 25 years and have had students with a wide variety of cultural backgrounds and they have done everything to enrich the life of the class and in the same it

enriches the country.

"We mustn't forget that many people in Quebec are not in favor of separation.

"Premier Levesque has not yet received a mandate from the people of Quebec to put separation into effect.

"We would continue a dialog with Quebec and the people in Quebec to prove it is possible for Quebec to preserve culture in a Canadian federation.

"Separation is stopping backwards a time."

FROM THE CHAMBER

By Bob Stinson

"Royally" Seminars Now Accepting Registrations

Five "Let's Treat Visitors Royally" training programs have now been arranged, thanks to the Ministry of Industry and Tourism. The dates and places for the seminars are as follows:

May 17th - Wagon Wheel Motel, Minden
June 5th - Orange Hall, Haliburton
June 18th - Wig A Mog Inn, Lake Kashagawigamog
June 20th - Harcourt Community Hall
June 21st - Mr. Fogg's, Carnarvon

The format of the program covers good grooming, personal attitudes, telephone manners, complaint handling techniques, and general hospitality skills. Audio visual presentations highlight many points and provide an informative overview of many of the province's attractions. Local points of interest are discussed with participants to help them provide directions.

Each participant will receive a diploma at the conclusion of the program which runs from 8:00 a.m. to 5:00 p.m. The only cost is \$4.00 per person which covers the cost of a lunch and two coffee breaks.

These seminars are exceptionally valuable to anyone meeting the public - both employees and employers. Many employers are splitting their staff between two or more of the locations so that they all may take advantage of the program. Individuals seeking summer employment would also be well advised to register.

Participation is limited to a maximum of 35 per date so we are asking for advance registration. Employers or individuals are requested to call the Chamber Office at 286-1760 and advise us of how many people you are registering for each location. Payment of the \$4.00 will be made at the seminar. Don't be disappointed, call us today! **Bookkeeping for Small Businesses**

Alec McLeod of the Federal Business Development Bank called us last week to let us know that the Bank will be stepping up the

number of helpful seminars they are providing for our area since he is now working out of the Peterborough Office. The expertise they are able to provide at such a nominal fee is something we should all be taking advantage of.

On May 22nd (yes we know it's election day, but they'll give you ample time to vote) the bank is providing an all day seminar on Bookkeeping for the small businessman. The cost is only \$30.00 which includes lunch and all study materials. To register for this extremely worth while day contact the Peterborough office of the F.B.D.B. at 705-748-3241.

Forestry Workshop

On the afternoon of May 2nd the Economic Development Commission will be holding a workshop specifically related to the Forest Products Industry. Invitations are being mailed to all those known in the county to be involved in this field. Anyone else that is interested may attend but we would appreciate hearing from you in advance. Please call the Chamber office if you wish to attend but have not received an invitation.

Algonquin Park Master Plan Review

The Algonquin Park Master Plan has now been in place for five years and is up for review by the Provincial Parks Council. The council is holding a series of meetings to explain their existing proposals and hear briefs from interested groups and individuals.

This Thursday, April 26th at the Riverbend Motel in Bancroft there will be an opportunity in the afternoon to obtain information on existing proposals and in the evening the meeting will be held to accept presentations.

The park has a much larger effect on our county than many people realize and the Chamber and the Economic Development Commission will be represented at this meeting. If you are interested in some specific aspect of the plan but cannot attend, let us know by Thursday morning. The next meeting held near our area is in Huntsville on August 17th.

Eleven people successfully completed the March cardiopulmonary-resuscitation (CPR) course conducted by Doctor J. Lodenqual and Dave Magee. Back row, left to right: Instructor Dave Magee, Watson Yake, John Purc, Joan Paul, Paul Heffer, Jim Burton, Instructor Dr. Jeff Lodenqual. Front row: Betty Harrison, Laura Aymong, Audrey Northey, Lorraine Martin, Laurel Austin and Arnold Wright. For further information on CPR courses phone Minden Medical Centre 286-2001.

Maggie is Marvelous, so is her food

More than the munchies are marvelous at Maggie's, the people are too!

Maggie and Earl Ross are opening Maggie's marvelous munchies with what may prove to be the best char-broiled hamburgers in the county.

The shop, located on the Minden by-pass next to the police station, will be treating customers to the best quarter-pound meat patties that Scheiders produce.

Maggie will be running the show as her husband has a business in Toronto.

"I'm really excited," says Maggie, all smiles.

Mrs. Ross worked for A. C. Neilson (Neilson TV ratings) for 16 years in marketing research and was just promoted to assistant to the director of space facilities

before trying her talents as a business manager.

The couple have nine children but all are grown and living on their own.

Kawartha Lakes School closes

The decision to close Kawartha Lakes School has finally been reached and announced, ending months and even a few years of speculation and uncertainty. I have heard such rumours for a long time and the final decision comes as an anticlimax.

Since my election as a member of the Legislature, I have always brought to the attention of the ministers the excellent liaison existing between the Kawartha Lakes School, the staff and the community. I have always felt, and have said so publicly, that Kawartha Lakes surely is an example to all schools and institutions in Ontario. I regret this announced closure will mean that we will lose many able and community minded people for the Lindsay and Victoria County area.

Does Doctor belong to OHIP?

TORONTO - In accordance with an agreement between the Ontario Medical Association and the Ontario Ministry of Health, the O.M.A. is providing a toll-free telephone number for residents of the Province of Ontario who may wish to know the names of opted-in or opted-out physicians in their municipality or region.

The patient information numbers for this service are:

1. Metropolitan Toronto: 925-3264

2. Outside Metro Toronto: 1-800-261-7215

The numbers went into effect on Friday, March 30, 1979, the day after the agreement was announced by Health Minister Dennis Timbrell, and will stay permanently in place, according to Dr. E. J. Moran, General Secretary of the Association.

Dr. Moran said that, since most specialists accept patients through referral by a family physician, it is not expected the Association will receive many calls regarding specialists.

He also urged that, in the case of a medical emergency, patients should use the most accessible doctor, or the facilities of the closest Emergency Department of a hospital and not call the O.M.A.

"Our staff has been directed to find the names of three or four physicians in a specific area upon request. Most people will have no difficulty solving this problem for themselves or through the local medical society or academy. However, if they do we will attempt to accommodate them as best we can," Dr. Moran said.

Dr. Moran pointed out that

the distinction between a physician who is opted-in and one who is opted-out is that the opted-out physician will bill the patient directly for medical services and the patient will receive payment of the O.H.I.P. benefit from the Plan directly. Opted-out physicians may charge a fee greater than the established O.H.I.P. benefit for their services. Opted-out physicians are allowed to do this under the Health Insurance Act of Ontario.

Dr. Morgan also said that opted-out physicians generally waive any additional fee if that fee will cause the patient any financial hardship.

The Ontario Medical Association is a voluntary organization of more than 14,000 physicians in Ontario.

Two men injured

Two men received minor injuries in two separate car accidents last week.

A week ago last Monday Erick Witzke, 49 of R. R. No. 2 Haliburton, was treated for minor injuries after his car hit some trees along highway 530 in the West Guilford area.

His 1976 car was damaged to the amount of \$800.

Investigation by Provincial Constable Connelly.

On Friday, Gregor Gillespie, 25 of Dorset, received minor injuries when he lost control of his car and it hit a rock face.

The 1977 car was damaged to the tune of \$2,000 in the accident that happened on highway 35, south of Carnarvon.

Investigation by Provincial Constable Potter.

The closing of training schools in Ontario is simply an experiment and one I personally do not agree with. The increase in vandalism and juvenile crime is alarming. One has only to look to our own small area and see it happening every day. A recent Toronto Star article tells us what is happening in the suburbs of Toronto.

I feel this decision is based on bad research and information that is five to seven years old. In terms of thinking and public opinion it would have made more sense to close them in 1973. It would appear to me that the money thus saved will be spent on the executives rather than the kids.

There are many positive aspects to our training schools. Unfortunately, the ministers and many members of the Legislature are isolated from knowing of the many good programs in the school and the warm relationship which exists between Kawartha Lakes School and the town of Lindsay. It is interesting that to my knowledge the Minister, the Honourable Keith Norton, or the Provincial Secretary for Social Development, the Honourable Margaret Birch, have never visited the Kawartha Lakes School even though I have encouraged them to do so.

What is the alternative to schools such as Kawartha Lakes? Is it group homes? If so, there appears to be a waiting period of 3-8 months for admittance to an effective home. This is some solution for a boy or girl in need or in trouble!

Normal fire year says Ministry

The Ministry of Natural Resources has prepared for what its provincial fire centre staff in Sault Ste. Marie predicts will be a normal forest fire season - 1,200 to 1,500 outbreaks.

"Our aviation and fire management people do not expect any problems until at least May, when the weather warms up," said Natural Resources Minister James A.C. Auld.

By mid-May he said his ministry will have 145 trained five-man unit fire crews and an air attack fleet of 35 Beaver, Otter and Tracker aircraft in place and ready.

As a backup support, the ministry is also contracting aerial detection aircraft, helicopters and heavy water bombers, said Mr. Auld.

The ministry will also continue to fine-tune its experimental lightning strike detector-locator system which covers northwestern Ontario.

The system—a position analyzer and high-speed print-out machine hooked up to two antennas located at Sioux Lookout and Kenora—detects lightning strikes and locates and plots them to within a mile. It was used to plot more than 20,000 cloud-to-ground strikes last summer in the Kenora-Rainy River Districts.

Fifty per cent of the fires west of Thunder Bay each year are ignited by lightning.

Mr. Auld said that while a normal season is anticipated, the final outcome largely rests with people.

"Our statistics show that people cause 80 per cent of Ontario's forest fires," the minister said. "I urge everyone to be especially careful when warmer weather favors outdoor cooking or the building of camp fires."

With the exception of last year when ministry fire-fighters fought only 843 outbreaks, Ontario hasn't had a normal fire season since the mid-1970's.

From 1975 to 1977 Ontario experienced an average of more than 3,000 forest fires each year.

Winch stolen

An 800-pound winch valued at \$2,100 was stolen from the Harcourt area a week ago last Sunday or Monday.

The victim was Ron Mumford, of Harcourt. Investigation is continuing by Provincial Constable Clendenning.

Attendance drops at second economic - development meeting

Three briefs were presented to the Haliburton County Economic Development Commission at a poorly attended public meeting held last Wednesday night at the Leslie Frost Centre near Dorset.

An interesting brief, presented by Leon Lambert, concerned a proposed plan to open a log building manufacturing plant in the county.

He told the commission that he and his partner were already living in two such homes on Ox Tongue Lake. These homes are prefabricated from B.C. fir or white pine in the factory and upon purchase the home owner hires a contractor to assemble the log structure.

The mother company, now located in the Gatineau area of Quebec, is presently producing 300 homes a year. He pointed out that the company has a proven sales track.

"This type of industry would be suitable to the area because it doesn't pollute," said Mr. Lambert. He said the proposed plant would employ about 20 people over the next five years.

He said he would like to locate the plant in the area because it has been his vacation spot for 20 years and the countryside is beautiful, but he added "we want to locate in an area that will be profitable to us."

Another brief, presented to the commission by George Hamilton, director of the Leslie Frost Centre, was the possibility of running co-operative programs with area lodges and resorts.

Mr. Hamilton said a similar co-op program was experimented with last winter. He said an area lodge, bus service and a Scarborough board of education contacted the centre to see if this would be possible.

Teachers and representatives from the school came up to the centre, arranged their own program and the accommodation was supplied by the lodge instead of the centre, he said.

The director said it was very successful from the centre's point of view.

Another idea presently being studied for the use of the centre is the establishment of a Natural Resources Museum.

"We have a lot of the tools used in developing our natural resources, over the

past years," added Mr. Hamilton.

He also suggested bush camp cookery, which would be a real tourist attraction, but said these two ideas may be a long time in becoming a reality because of the capital costs and the present restraints in government spending.

The last presentation for the evening was given by David Logan, liberal hopeful for Victoria-Haliburton.

He suggested a Trent Water system governing board could be set up in the area as Haliburton County contains the headwaters of the system.

Since the dams, controlling the water levels, were built in logging days, they could be re-designed to create jobs in the area, said Mr. Logan.

"It's one of the assets of the county that has been overlooked," he said.

The last public meeting will be held in Wilberforce, tonight beginning at 7:30 p.m. at the Lloyd Watson Memorial Centre.

County breaks tradition

For the first time in over a 100 years, Haliburton County Council met outside its council chambers in Minden.

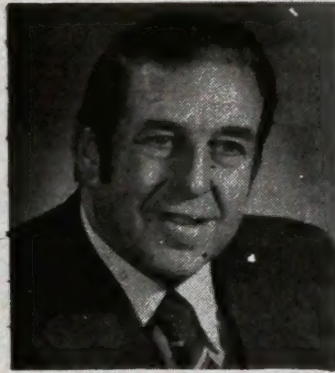

The council held its regular monthly meeting at the Leslie Frost Centre, near Dorset, last Wednesday morning.

Anson, Hindon and Minden Reeve Sinc Nesbitt said the meeting was arranged at the centre after the director, George Hamilton, had expressed his disappointment that the centre was not being used to its fullest extent.

"It's a beautiful place and we should make use of it", said Mr. Nesbitt.

The councillors were served lunch in the centre's kitchen and were given a tour in the afternoon.

HOMEOWNERS and BUYERS DESERVE ABREAK

"A family of four with one working spouse, two children and a home with a \$30,000 mortgage and annual property taxes of \$500 will gain \$197 in reduced taxes in the first year of the program and \$756 per year when the program is fully in place."

PC Leader Joe Clark

"Our mortgage interest and tax deductibility plan will revive building activities and assist all property owners in the riding and provide new markets for small business."

"The benefits would remain in Canada. Labour for housing is 100 per cent Canadian. Materials for housing are at least 95 per cent Canadian-produced."

"I want to help my constituents to be able to afford adequate housing."

-- Bill Scott

Economic Recovery Through Stimulus

Let's get Canada working again

Published by the Victoria-Haliburton PC Association, 50 William St. South, Lindsay, Ontario.

Dinner show very entertaining

One of the four-member cast from 'Oh Coward' on stage last Saturday evening.

"Oh Coward", a dinner show tribute to Neil Coward, was extremely funny and entertaining.

The show was held at the Haliburton Legion and sponsored by the Haliburton Highlands Guild of Fine Arts, last Saturday evening.

The four-member cast, Iris Sanderson, Art Brooks,

David Smith and Carol Grant, were excellent in both singing and performing.

The show was filled with English comedy and also very beautifully sung love songs.

A capacity crowd came to the hall for a beef supper, catered by Ed Pergolas of Minden, and the show that followed.

Shocking Situations!

Some people use electricity carelessly...taking risks that can take lives. But the real shocker is that the mistakes they make are so easy to avoid.

They mess with appliances while they're plugged in.

They run extension cords under rugs. The cords get frayed and worn.

They do their own wiring... and don't have it inspected.

They mix electricity and water.

You wouldn't take risks like these, would you? your hydro

Editorial

Your Vote

Over the past few weeks the news has been fairly calm considering there is a federal election not more than a month away.

Little information is coming from any party in the area and it would be easy for a person to forget about making a decision and vote for the same old party they always do, whether it be liberal, conservative or NDP.

But this type of behaviour doesn't lead to good government. If you don't know how your elected official will stand on certain issues how can you be sure he will act on your behalf in Ottawa.

The individual should make his vote count by being aware of the national as well as the riding problems and how each party or candidate would deal with them if he were elected.

The public should demand that the candidates get together and discuss the issues before an audience.

In this way your vote might count on May 22.

Last Chance

The Haliburton County Economic Development Commission has held two public meetings with the last being held in Wilberforce tonight.

These meetings have given the public a chance to suggest what type of industry they would like to see developed in the county or what could be done to make the area more enticing to industries and businesses.

When the commission goes back into committee to discuss these presentations hopefully something progressive will come out of it and they won't be shelved or forgotten about.

This is one of the few times that such an interest has been shown in the development of the county and it should not be dropped half way through.

It is one of the first chances for the county to break out of the tourist-economy roll and possibly create year-round employment for many local residents.

If you haven't put in your two cents worth about what type of development should be brought into the area, tonight's your last chance.

REPORT FROM QUEEN'S PARK

By John Eakins, M.P.P.

During the debates on the Budget this week it was pointed out that Ontario's deficits have, in some part, in the past been financed by loans taken out in German Deutschmark. These loans were taken out at a much lower exchange rate, and when one of the loans became due and payable in 1975, it produced an actual loss for the province of \$9.55 million. The Province still has outstanding two loans in DM and we face even more severe losses due to the continuing rise in the value of the DM. For instance, this year a portion of one of the loans became due on February 1st.

This was equal to \$4 million Canadian when we took out the loan, and it required over \$9 million Canadian to make that payment this year, showing an exchange loss of about \$5 million, with more losses to come in the future.

The fastest growing budgetary item is the interest on the provincial debt, which is now costing us \$3.8 million a day in interest. This amounts to \$1.388 billion a year, 9.2% of the current budget, and an increase of 12.6% over last year. A decade ago, the funded debt stood at \$4.2 billion. It is now projected to be \$15.3 billion by the end of the fiscal year,

an increase of 263%. This represents an increase from \$551 per capita in 1970-71 to a projection of \$1,791 per capita for this fiscal year.

Opposition parties have called for a provincial foreign investment review agency, after Liberal MPP Jack Riddell (Huron-Middlesex) revealed that a West German family had enough money deposited in Huron County banks to buy the equivalent of two townships of farmland. The Minister of Agriculture said he would need facts and figures before anything could be done, and that a study of land ownership in Huron County was in progress. Mr.

Riddell noted that four other provinces have laws restricting foreign ownership of land. Remo Mancini, Liberal MPP (Essex South) asked the Minister if he had a plan of action if the study showed there was more foreign ownership than expected. The Minister reminded Members of the 20% land transfer tax on the sale of land to foreigners. However, in a debate on this subject last December 5th, Mr. Riddell had stated that some foreign interests were avoiding the land transfer tax by forming an Ontario corporation.

SNATCHES FROM YESTERYEAR

This village was very small in 1859 with main building being the Land Office of Strickland Lumber Company and there was also a tavern built and owned by Dan Buck.

In 1860, the Post Office was opened in Buck Hotel and log School came into being.

In 1861, the first Saw Mill was built on Beaver Creek and operated by Gainers.

In 1862 Thomas Young is credited with having the first general store in this year and J.W. Cummings the first grist mill.

In 1863 Ben Sawyer built his hotel this year in opposition to Dan Buck's tavern.

In 1865 Wm. Gainer became the Reeve, Justice of the Peace, and a Divisional Court was established; Rev. F. Burt became the first resident clergyman (Anglican) in this village.

In 1867 the first Anglican Church was built.

In 1869 Dr. Chas. D. Curry came to the village as it's first doctor.

In 1870 Andy Morris set up his residence at Mountain Lake and here used a loom to weave cloth.

In 1871 the Frame Church and Manse were built for the Presbyterians.

In 1874 Rev. Burt became

the first Public School Inspector.

In 1878 the railway reached Gelert and finally Haliburton this year.

In 1879 March 17th, saw much of the south side of Main St. destroyed by fire.

In 1884 August 21, the first issue of Minden Echo was published.

In 1888 there was a dreadful outbreak of diphtheria and many were the bereaved families.

In 1889 Model School was set up to train teachers.

In 1890 July 28th saw another fire sweep the south side of Main St. and many of the present buildings came into being.

In 1892 the members of L.O.L. erected their first Hall across the river and it was warranted Nov. 2nd of that year.

In 1895 J. H. Delamere had a bank established.

In 1897 the Clergy House was purchased by the Anglican Congregation and first resident was Rev. S. A. Lawrence.

In 1898 Mr. Delamere granted the village permission to form a library in an upstairs room of his building.

In 1899 Oct. 25th W.A. of Anglican Church was formed.

In 1900 the Registry Office was set up with E.C. Young

the first Registrar; Anglican Church consecrated Oct. 12th.

In 1907 in June of this year the Women's Institute was formed with officers Mr. W. M. Fielding, Mrs. Donald Hartle, and Mrs. W. M. Dean also 27 charter members.

In 1908 the first automobile arrived in town, owned by Albert Jones of Minden Hotel.

In 1914 many of the young men of the village left to join the armed forces and make the supreme sacrifice.

That's Good News!

Do you have a wedding in the family? A golden wedding anniversary? A new baby? A special birthday? That's news of the very best kind and we may be able to share the occasion with our readers. There is no charge for this or for pictures which we might use. Call 286-1288.

Mainstream Canada

Who Creates the Jobs?

By W. Roger Worth

Mary operates a small corner store in Vancouver and employs three people. Sam manufactures wood products in Quebec, hiring 14 full-time workers to produce a variety of crafted items for the retail trade, including a large department store chain. John is a Maritime contractor, employing seven full-time staff and another dozen during the summer months.

In an unusual way, the three Canadians are connected. They've all hired one extra full-time employee during the last few months, creating another three jobs and, in their

own small way, helping overcome the country's serious unemployment problem.

The three jobs certainly don't make much of a dent in Canada's 976,000 unemployment total, yet without the jobs provided by these individuals and thousands of other small businesses across the country, the jobless rate would be much, much higher.

In fact, it is not overstating the case to say independent businesses are the real heroes in the battle to beat unemployment.

Consider these facts. Businesses with fewer than 20 employees provided an astounding 59% of net new job growth in Canada between 1971 and 1977.

In many cases, while big

companies with more than 500 employees have in fact been shedding jobs, reducing overall employment, the small and medium sized firms have moved in to pick up the slack.

While statistics are not available on job creation by firms with more than 20 workers and less than 500, the medium sized businesses almost certainly provided more than their fair share of new employment.

The increasing importance of small business exists not only in Canada, but in the U.S., Japan, and other countries as well.

What's happening is that small and medium sized firms are beating the pants off the larger companies when it comes to creating jobs.

Like many small business people, Mary, Sam, and John shun publicity. But it's these humble, modest citizens, and thousands of their counterparts across the country, that have given Canada one of the highest job creation rates in the world.

Without such independent businesses and their tremendous capacity to create jobs, the unemployment rate would be much, much higher.

The people who operate such firms, in the vernacular of election campaigns, deserve our vote. A vote of thanks for a job well done.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

AROUND THE TOWN

By Jeanne Sears

Over 300 people came to the Wagon Wheel, last Saturday, to help Angus and Lydia Coulter celebrate their 60th wedding anniversary. They were married on April 23, 1919, in St. Peter's Church at Maple Lake, by the Reverend J. H. Stringer. The couple have six children, four boys and two girls, one of whom brought his entire family from British Columbia for the festivities. A family dinner, with 45 present, was held at the Wagon Wheel, Saturday night.

The 1980 Buick Skylark

OSHAWA, Ont. - The 1980 Buick Skylark's all-new engineering is complemented by some all-new interior and exterior offerings.

Interior trim materials include a new tan and white or blue and white hounds-tooth cloth on either the standard split bench seat or

the available notchback seat in both the Skylark and the Skylark Sport models. Both seats are also available in tan or black vinyl on coupes and sedans and oyster white vinyl in coupes.

Bucket seats are available in oyster white with a choice of five accent colors in either

Skylark or Skylark Sport coupes and sedans.

In the top-of-the-line Skylark Limited coupes and sedans, notchback seats in blue, tan, black or red cloth, or oyster white vinyl in coupes, are standard.

At Eastertime Ruth Lynas, dressed in a Bunny Suit, came to Dominion Hotel and there sold her Easter Eggs to Patrons. Amount raised was \$150, and this went directly to Whipper Billy Watson and the crippled children's Fund.

Minden Bakery is very delighted with the great support in Minden Area last week. We have many more items planned for the future including longer hours.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon winners were for bridge, Doris Craig, for cribbage Anne Dawson and Dora Dawson and for euchre, lone hands Della Griffin and Shirley Elcome and Harry MacMinn.

Lydia and Angus Coulter enjoyed the weekend, first at the family dinner party Saturday night and then at the Open House, both times at the Wagon Wheel on the occasion of their 60th Wedding Anniversary. The community sends belated good wishes to this couple.

Mr. and Mrs. Ron Davis and family of Timmins visited Mr. and Mrs. Earl Hewitt on the holiday weekend.

Mrs. John Kernohan Sr. of Lindsay spent a week visiting with the John Hulbigs.

Don't forget these people at Hyland Crest on their birthdays: Irene Stewart 4th, Henry Robinson 8th, Ida Schell 10th, Marjorie Kanally 11th and Mary Grozelle on 23rd.

On Easter weekend Mrs. Maud Campbell and Mr. and Mrs. Bud Williams and Mrs. Elsie Watt of Weston called

on Maud's sisters, Tessie Davis and Mabel Trumbull and niece Velma Stevenson. Happy Birthday and best wishes goes to Mrs. Tess Davis who was 87 years young April 1st. Mrs. Tess Davis, Velma Stevenson and Judy Stevenson spent this past weekend with Miss Lola Stevenson of Kingston.

On Saturday, of all the people who had been in and out of the new Bake Shop, one local businessman objected to "No Smoking" refused to put out his cigarette and said he wouldn't be back. Of course, we all realize that a Bakery is much nicer without the smell of smoking; we notice this a great deal, as, after nearly 2 years without a smoke, to yours truly everything smells and tastes better without.

Mr. and Mrs. Phil Robinson and Mrs. Bill King spent Thursday in Lindsay visiting his brother and wife the Les Robinsons.

Sincere sympathy goes to the families and friends of the late Mrs. Marjorie Barry and George Lawrence who passed away since last week.

Mr. and Mrs. Garnet Coulter, Mr. and Mrs. Jim Munro, Debra, Todd and Paula all of Campbell River B.C. and Mr. and Mrs. John Ahokas and Graeme of Nanaimo B.C. and Gerald Coulter of Toronto have been visiting relatives in the village for this week.

Mrs. Mildred McCracken (his mother) of Englehart spent a week with the Wally Brown family.

Coming up are April 30 Card Party at the Orange Hall at 8 and they play euchre and cribbage there; May 1st is Horticultural Society Meeting at 7:30 at Municipal Building, Friday April 27th is the Thrift shop (A.C.W. Room) at St. Paul's upstairs featuring good used articles and time is from 2-4. The Figure Skating Club are asking for donations for their Sale on May 19th and for pick-ups call 286-2425.

Lovely weekend and just windy enough for flying kites, as we saw some down our way, BUT be careful as you should not try to get them down from electric wires, there was one stuck near our home.

Hear there is Open House at our Public School Wednesday evening as this is Education Week - wish we got this news earlier. Lots of traffic on weekend so take care.

Continued on page 10

Give Yourself Better Odds!

4th recreation meeting

Invergordon Foods was given the contract for the food concession booth by the Minden recreation committee at its fourth meeting, at the municipal office last Wednesday night.

Chairman Norm Harrison in the Chair

Present: Vice-Chairman L. McKnight, Fay Mansfield, S. Brandon, W. Everson, K. Bannon, B. Sisson, P. Nicolls and E. Burke, Secretary-Treasurer.

No. 79-18 - S. Brandon - F. Mansfield

That the minutes of the meeting held in March 27th, 1979 be approved. Carried.

No. 79-10 - S. Brandon - K. Bannon

That this committee approves the contract for the food concession booth to Invergordon Foods for 1979 and the Chairman and Secretary-Treasurer be authorized to sign same. Carried.

LISTINGS INVITED**New rules make voting easier**

Changes in rules covering proxy voting and advance polling will make it easier for all qualified voters to cast ballots in the 31st federal election on May 22.

"The ill, handicapped and aged, certain students and workers away from home, and voters unable to vote because of temporary absence are among those who will benefit," says Jean-Marc Hamel, Canada's Chief electoral officer.

The changes were made in amendments to the Canada Elections Act and were passed by Parliament in December 1977.

Some of these changes are: At least one advance poll with "level access" for the handicapped must be set up in each urban area of an

electoral district. An elector entitled to vote at an advance poll may, if the poll doesn't have level access, obtain a transfer certificate from his or her Returning Officer and vote at another poll that does offer level access. A notice of an advance poll must state if level access is available and explain to voters that transfer certificates may be obtained.

Voting at advance polls - for those unable to vote on election day - formerly was possible on two days only. Under the new provisions, advance polling will be spread over three days - between noon and 8 p.m. on Saturday, May 12th, Monday, May 14th and Tuesday, May 15th. To vote at an advance poll, you have only to sign your name - not take an affidavit as in the

past.

In a general election, voters who are unable to vote on election day or at the advance polls, may now vote in the office of the Returning Officer. Such voting will be done noon to 6 p.m. and 7 p.m. to 9 p.m. on any day beginning Monday May 7th and ending on May 18th, excluding Sundays and any advance polling day.

Proxy voting is extended to members of air crews, forestry crews and topographical survey crews, and to trappers. Such electors, along with fishermen, mariners, prospectors, those who are ill or physically disabled, and students away from home during academic terms, may now arrange to vote by proxy.

In proxy voting, an elector

who cannot cast a ballot in person on election day or at any other of specified times, may appoint another elector to vote in his or her place.

If you wish to vote by proxy, then either you or your proxy must apply in person to the Returning Officer for a proxy certificate.

If you are applying for proxy voting because of illness or physical incapacity, you must present a certificate from a legally qualified medical practitioner. If you are a student, absent from your polling division during an academic term, you can apply to vote by proxy but must have a statement from the registrar of your college or school.

A qualified elector whose name is not on the preliminary list of voters may now more easily get on the revised list. This can be done by contacting the Returning Officer prior to May 4th.

Special provisions for temporary workers away from home have been extended to include students who are gainfully employed between their academic terms. In the past, such students couldn't vote if they were away from their ordinary places of residence. Now, they can vote in the electoral district where they are working if they have arrived in the electoral district by May 1st and take action to have their names placed on the voters list during the period of revision May 2nd to May 4th.

Several other rule changes will apply to this election as a result of amendments to the law.

Electors will no longer be required to show their occupation on election documents.

Ordinary polls on election day will be open 9 a.m. to 8 p.m., local time. Previously, they opened at 8 a.m. and closed at 7 p.m., standard time. All references to times in the new law mean "local time".

An elector whose right to vote is challenged at a poll - because his or her identity is questioned - may now produce documents to prove identity. An oath is no longer automatically required.

Employers and employees, under new rules, may jointly agree to waive the provision giving employees four consecutive hours off with pay to vote. Another rule change brings hourly-paid workers under the time-off provisions. Still another broadens the time-off provision to include all transportation companies, not just railways and their employees, as was the case in previous elections.

Association needs members

The Haliburton County Association for Children with Learning Disabilities needs more members.

At their fourth meeting, a week ago last Tuesday, the treasurer, Yvonne Penney, said only nine memberships at the price of \$10 had been purchased.

The money which the association raises is used to help children with learning disabilities in this area.

ONTARIO HYDRO

GRASS CUTTING & TRIMMING PREQUALIFICATION MINDEN AREA

Ontario Hydro invites interested parties to submit an outline describing their capabilities to perform grass cutting and trimming services in the Minden Area. Subsequent to the examination of the outlines received, tenders will be invited from parties who meet the qualifications criteria.

The Lowest or any tender not necessarily accepted.

Prequalification submissions will be received up to May 4, 1979.

Prequalification documents may be obtained from:

One of America's best wins squash tournament

Dave Willis (right) congratulates consolation winner Ken Rydman.

Steve Moysey, of Toronto, one of the top ten squash players in North America won the second annual Rockcliffe Hotel Squash Tournament held at the Haliburton squash courts, last Saturday.

Moysey beat out Rick Trumble three games to one in the championship match. Trumble is the squash pro at the Royal Canadian Yacht Club.

Ken Rydman, a club member, defeated John Fitzgerald, another Haliburton hopeful, in a three game wipe out for the consolation title. The day started off with 13 players, including four club members and six Canadian 'A' players.

The first match of the day was between Bud Fitzgerald and Tom Myers. Myers was the winner and moved on to meet Moysey, with Moysey coming out on top.

The next match saw Mick Stafford defeat Fitzgerald with Stafford heading into the championship competition but was put down flatly by last year's champ Doug Owens.

John Hunt and Ken Rydman then went to battle with Hunt being named the victor. He went on to beat Lyall McCurdy, after the latter's win against Derrell Stamp.

The next match saw Dave Willis put down Jim Richardson, only to lose the next three games to Trumble.

In the semi-finals Moysey beat out Owens and Trumble downed Hunt to head them into the championship match.

In the consolation competition Bud Fitzgerald met his son John Fitzgerald with the match going to the younger Fitzgerald.

Next on the slate was Rydman against Stamp with Rydman coming out on top.

Then Rydman met Richardson to again be named the victor. He took the consolation title in the last match of the day against John Fitzgerald.

A Rockcliffe jogging suit was presented to Moysey with runner-up Trumble and consolation winner Rydman receiving Rockcliffe sweaters.

Steve Moysey, (left), accepts championship trophy from Dave Willis

The Colt 45 Open Ontario Championships

The Colt 45 Open 1979 Ontario 5 pin Bowling Championships were held at Sherwood Lanes in Hamilton, sponsored by Carling O'Keefe Breweries Ltd., on April 12th, 13th and 14th.

Provincial Champions in all five events, Men's and Women's Singles and the Men's, Women's and Mixed Teams, will now advance to represent Ontario, May 12th to 14th, in Victoria, British Columbia, in the National 5 pin Bowling Championships.

The winners of the Men's singles results are: Jim Fedorenko, Tri County 2397; Ron Stanley, Blue Water 2263; Al Snow, York Simcoe 2252; Mickey Pikor, Niagara 227. Others were Doug Robertson; Guelph 2225; Doug Connerty, Ottawa Valley 2224; Jim Hartley, Toronto 2202; Jim Glandfield, York Simcoe 2195; Danny Mayer, Conestoga 2179; Gerry Carlson, Scarborough 2165.

The winners of the Womens singles results are - Jill Phillips, York West 2223; Thelma Thompson, Conestoga 2218; Dianne Harrison,

Agincourt 2144; Jean Seggie, Great Pine Ridge 2110; Linda Pickering, Windsor 2088. Others were - Marg Bratkin, Central Ontario 2065; Joan Clark, Tri-County 2050; Joan Dumoulin, Cornwall 2050; Marney Galawray, Conestoga 2030; Val Rowe, Ottawa Valley 2011.

Jill Phillips was young and bowled superbly throughout the whole championships. She received \$500 in cash.

The Colt 45 Ontario Men's team champions were Tri-County Bowlers Association winning \$1000. Agincourt Association was second winning \$500; Windsor Association was third with \$300; and York West Association was fourth with \$200.

Colt 45 Ontario Mixed Team Champions went to Ontario Durham Association winning \$1000; coming in second was York West winning \$400; Tri County was third getting \$200; and fourth was Central Ontario with \$100.

Colt 45 Ontario Ladies team champions was won by Conestoga Bowlers Association winning \$1000. Second place went to Central Ontario

winning \$400; Guelph was third getting \$200; and in fourth place was Scarborough getting \$100.

Ladies high single for the event was Gladys Scott from Scarborough who rolled a 440 single game and received \$25.00. Thelma Thompson from Conestoga won the highest for five games 1504 and received \$50.00.

Men's high single game went to Neil Harrison of Agincourt with 408 winning

\$25.00 and the high five game total of 1570 went to Paul Begy also from Agincourt winning \$50.00. The total prize money amounted to \$7,500.

In the Ladies team, after the round robin, Conestoga and Central Ontario Associations tied. A one game roll-off was played with Conestoga defeating Central Ontario 7 points to 1.

Colt 45 Aggregate winners Continued on page 8

P.L. to go to C.N.E.

Sunday April 22 saw the annual CNE Tournament at Carnarvon Lanes with 10 teams participating - Men's Ladies and Mixed. This was a pins over average tournament and the winning team will bowl at the Canadian National Exhibition in August representing 1000 Lakes Bowling Association.

At the end of the day the team standings were:

In first place Peterborough Lumber 3904, pins over average 220, 2nd place Rockcliffe 3609 pins over average 103, third place Tuesday Ladies No. 1 3220

pins over average 76, Tuesday Ladies No. 2 pins over average 44, Tuesday 9 p.m. mixed 3254 pins over average 11, Thursday Ladies 3254 pins over average -25, Maple Lake No. 1 3324 pins over average -30, Vankoughnet 3028 pins over average -32, Modern Electric 3505 pins over average -65 and Maple Lake No. 2 3296 pins over average -142.

The winning team consists of Fred Cox, Albert Cox, Cliff Burke, Doug Robinson, Bob Robinson and Jim Wilson.

Bowling

Continued from Page 7

were Tri County Association with 70 1/2 points; York West Association with 70 points and Conestoga Association with 65.

Colt 45 Ladies team champs were in Group No. 1 - Guelph Bowlers Association 55 points; group No. 2 Conestoga Association with 54 points; Group No. 3 Scarborough Association with 61 points; group No. 4 was Central Ontario with 65 1/2 points.

Colt 45 Men's team champs were in Group No. 1 Agincourt Association 56 1/2 points; Group No. 2 York West with 51 points; Group No. 3 Tri-County with 52 points and Group No. 4 Windsor Association with 53 points.

In the mixed teams group No. 1 was York West with 53 points; Group No. 2 Ontario Durham 48 1/2 points; Group No. 3 Central Ontario 63 points and Group No. 4 Tri County with 53 points.

Where the 1000 Lakes Bowlers Association teams placed. The ladies team did the best coming in 19th place with 29 1/2 points. The Great Pine Ridge Association which is our neighbours Peterborough, Cobourg and Port Hope area got 30 points just 1/2 point above us. Twenty four associations took part in the Colt 45 Championships from across Ontario. In the first five games the ladies did not place very well but the next day in the last five games they upset some of the larger and stronger associations by taking some precious points away from them. Bowling with the ladies were Kay Osler, Shirley Wilson, Marg Trethewey and Joan Deyell

from Fenelon, Ev Stata and Eva Piper from Carnarvon. Marg Trethewey came up with a super 312 game which won us a point plus three points for total pins. This is Margaret's first appearance at the Colt 45 Championships and she certainly did us proud. The mixed team placed 22nd out of 24 which was good considering the strong opposition. Bowling with them was Cecil Watson, Gord McAllister, Audrey Gerriss and Beth Telford from Fenelon; Roy Sutherland and Stan Dunford from Bancroft and Flo Henderson from Carnarvon. The men's team didn't fair so well placing 23rd out of 24. Steve Barton seemed to be their star performer. Bowling on this team was Bill Korz, Steve Barton, from Fenelon; Hank Searle, Jack Williams, Bill Phillips and Willard Goodman from Bancroft.

With the new system of Match Play, Carling O'Keefe Breweries and the Ontario Bowlers Congress decided to reward the Male and Female bowler who won the most matches during the qualifying rounds. In the men's division, the undisputed winner was Dave Whelan of Agincourt with 9 wins. Our own Steve Barton just missed out by one. In the ladies division there was a six way tie and the winner was decided by total pinfall. In the tie were Claudette Taillon, Cornwall; Marg Heldman, Conestoga; Kay Osler, 1000 Lakes, Hazel Williamson, Ottawa Valley; Sue Wise, Central Ontario, the winner; and Susan Schnieder, Cornwall.

On Saturday night the events came to a close with a beautiful banquet, greetings from various dignitaries, awards presented and a dance. All the winning teams

were piped in by bagpipes and a standing ovation. Colt 45 Open prepared an Official Souvenir Programme book which was sold at the event. In it was a letter from Prime Minister Pierre Elliott Trudeau. He wrote "I am pleased to extend my warmest greetings to the participants of the five pin bowling championships to be held from April 12 to 14."

Tournaments such as these offer bowlers from across the province an opportunity to test their skills as well as enjoy the spirit of exchange that comes from friendly competition.

Please accept my very best wishes for success."

I think his remarks described the weekend very well. Ontario's top 529 bowlers from across the province were there including many of our master bowlers and they were all extremely friendly and showed the very highest in sportsmanlike conduct. We all thoroughly enjoyed our weekend very much and it was so nice meeting all the other bowlers from across Ontario. We had some people with us from 1000 Lakes who came only as spectators and we certainly appreciated their support in cheering us on. I am sure they enjoyed watching our finest bowlers from the various Associations competing in the Colt 45 Championships.

Our coaches were Ross Wilson from Fenelon coaching the Ladies team, Garth Henderson, Carnarvon with the mixed team and Mike Croghan, Bancroft coaching the men's team. Each was required this year to be a graduate of Level 1 theory courses offered in Ontario under the auspices of the National Coaching Development Programme by the Ministry of Culture and Recreation.

I would like to sincerely thank the Carling O'Keefe Breweries Ltd. for sponsoring the Ontario Championships, the Ontario Bowlers Congress for their organizing of the tournament to see that all ran

smoothly, an extremely hard job well done, and the Hamilton Bowlers Association for being our host.

Ontario Bowlers Congress Bowlers Not Responsible

The following is a press release by Mr. W. A. Bird, Technical Director of the Ontario Bowlers Congress on April 17, 1979.

"The bowlers who were evicted from the Warden Avenue Holiday Inn on the Easter weekend were all members of the Y.A.B.C. Majors". That organization is in no way associated with the Ontario Bowlers Congress, and the invitational tournament they were attending is not sanctioned by the Ontario Bowlers Congress, which is the recognized sport governing body", reports W. A. Bird.

Bird, Technical Director and Director of Public Relations for the Ontario Bowlers Congress, added, "The Young Adult Bowling Council Majors" is a programme which is administered by the Bowling Proprietors Associations of Canada and Ontario. It's tournament programme for young adults has never been supervised in the same manner as those of the Ontario Bowlers Congress or the Youth Bowling Council (Y.B.C.)."

He added, "The Ontario Bowlers Congress has been rebuffed in the past when the YABC Majors were invited to affiliate with us. Because they are not affiliates, we have no right to supervise their activities, and unfortunately, we can assume no responsibility for their conduct or discipline".

It is unfortunate that the 10 or 15 vandals involved in this disgraceful incident had to be identified as "bowlers". Their conduct is the antithesis of the good sportsmanship and behavior demanded of all of the members of leagues and local associations affiliated with the Ontario Bowlers Congress.

SENIOR LEAGUE

by Doris Robertson

Easter Sunday we here at Hyland Crest were privileged to have Rev. David Barker from St. Paul's Anglican Church Minden come in and conduct a special Communion Service in our Chapel. It was a beautiful service, thank you Rev. Barker for taking time out of your especially busy day for us.

Monday morning began as usual with our Fun and Fitness program with as much fun as fitness and in afternoon crafts for the ladies. The evening movies were entitled, "Bermuda Secret", and "Newfoundland". These were two fascinating films, if we had a choice it would be hard to choose which place we would want to go to first.

Tuesday morning devotion in our little Chapel was conducted by Jimmy Cooper from West-Guilford, he gave a lovely sermon, also we enjoyed the beautiful accompaniment on the organ by Mrs. Cummings from Lutterworth Pines, it was nice to have Mr. and Mrs. Cooper remain and have lunch with us

as well. Later on in the afternoon we had a quite a few games of Bingo, some of us were luckier than others.

Wednesday morning we held Fun and Fitness and in the afternoon in our craft room after having completed some bazaar articles with the help of all of our volunteers we had a little surprise tea party for Lil Rawlins who is soon to retire, the girls brought in some lovely squares and cookies and also a pretty little gift to wish her a very happy retirement.

Thursday's afternoon Tea Party was served by the ladies from the Haliburton U.C.W., these girls sure brought a lovely lunch, they had different kinds of loaf cake and cheese, the residents really enjoyed it. Thank you, in the evening the Kinsmen fellows came in to call our Bingo numbers for us.

Friday afternoon we had a good turn out when Grace and Norma came in to entertain us in our lounge.

In Memorium - Malcomb Sedgwick, April 14.

Boice adds on offices

Boice Motor Sales is adding a 2,800 square foot second storey to the present building on highway 121 west of Haliburton.

The addition will be used for storage of parts and extra offices, some of which will be for rent.

Brant Stamp, manager, said the addition will allow for more display area in the lower floor.

In two weeks, John Beachli contracting should have the job completed, Mr. Stamp said.

MINDEN WOMEN'S INSTITUTE

The April 18th meeting of Minden Women's Institute was at the United Church Hall at 2 p.m. and opened with a verse and welcome from Pres. Mrs. Lyman Cox. After the usual opening, 24 members replied to the Roll Call by paying their fees and included were two new members. The yearly report was read by Treasurer Mrs. A. S. Kernohan and she had a nice balance for the year. She had received a cheque for lunch served after the L. Winch W. Service and Mrs. Cox thanked the ladies who had done this.

Mrs. W. Moore gave her report of 14 cards sent since last meeting. Collections for this Fund and Pennies were taken. The Card Yearly Report also given by Mrs. Moore had 350 cards sent to sick, shut-ins, bereaved or congratulations to people of our village.

In regards to project for Year of the Child, a donation of \$50 is to be made towards support of the local Red Cross Swimming Classes.

We then heard World Affairs Report by convenor Mrs. M. Bunker and these highlights were surely interesting and enlightening.

Election of Officers was conducted by Mrs. M. Sears and slate was accepted; list follows this report.

Several short verses were read by Mrs. Arnold Coulter. The meeting adjourned and all enjoyed the delicious lunch served by the committee. On the little raffle, winner of the

gift was Alice Todd. Next meeting will be at St. Paul's Parish Hall, Wed., May 16th at 2 with any interested ladies welcome to attend.

Officers for 1979-80

Past Pres. Mrs. L. Cox, Pres. Mrs. Clare Brown, 1st V.P. Mrs. Pat Clarke, 2nd V.P.

Mrs. W. Moore, Mrs. L. Dawson, Card Convenor Mrs. W. Moore, Mrs. Taylor, Pianist Mrs. P. Clarke, Current Events Mrs. M. J. O'Neill, Curator Mrs. M. Sears, Resolutions Mrs. R. Hughes, P.R.O. Mrs. Sears, Auditors Mrs. S. C. Briggs, Mrs. A. Coulter, Secret Pals Mrs. V. Todd.

FARM NEWS

Victoria County 4-H Agricultural Clubs have been organizing during April. 4-H club members have been busy planning exciting activities for the summer.

There is still time to join a 4-H club. May 1st is the last day for application forms. If you are interested in 4-H, contact a local 4-H club leader or the Agricultural Office in Lindsay by the May 1st deadline.

4-H is for boys and girls between the ages of 12 and 19 as of January 1, 1979. 4-H projects include beef, dairy, sheep, garden, field crops, pony, farm machinery and veterinary science.

All 4-H clubs elect an executive. This executive is made up of a president, vice president, secretary-treasurer and news reporter.

Following are listed the executive members of some of the 4-H clubs in Victoria County:

Omamee 4-H Beef Calf Club: Richard Hamilton, Hugh Leggett, Laurie Long, and Susan Armstrong.
Victoria 4-H Veterinary Science Club: Paul Keeler,

Steve English, Evelyn Chambers, and Nancy Manintveld.

Kawartha 4-H Pony Club: Cathy McMenly, Laurie Debosky, Nancy Manintveld, and Michelle Roche.

Little Britain 4-H Beef Calf Club: John Connell, Brian Dykstra, Susan Bowen and Tim Noble.

Emily 4-H Pony Club: Bridget Armstrong, Laurie Darling, Karen Mohr and Bernice Mitchell.

Victoria 4-H Sheep Club: Richard Hamilton, Keith Ball, Susan Burnett and Julie Hall.

Woodville 4-H Calf Club: Lori McRae, Ron Keeler, Henry Keeler, and Edna McPhail.

Little Britain 4-H Dairy Calf Club: Dick Noble, Dale Hamilton, Evelyn Chambers and Sharon Snoddon.

Omamee 4-H Dairy Calf Club: Allan Hawman, Joe Peeters, Jim Peeters and Ron Ashmore.

Fenelon 4-H Calf Club: Allan Thompson, Jennifer Batty, Janet Burnett and Susan Burnett.

FORUM

continued from page 1

Bill Scott, Conservative Incumbent

"There are quite a few policies. There must be an understanding with the provinces to continue in confederation.

"The conservative party doesn't go along with a sovereignty association.

"All the provinces should share the benefits of confederation equally.

"Since Trudeau was elected in 1968 there was no separatist government and no separatists sitting in Parliament.

"In Quebec a separatist government has been formed with 71 members in parliament.

"Trudeau's promises in 1968 were to bring confederation closer together and

eliminate separatism in Quebec.

David Logan, Liberal

"There will be no negotiation with Premier Levesque or any other premier for any special concessions.

"We oppose Mr. Clark's opinion and one expressed by David Crombie that they are prepared to negotiate some type of sovereignty association.

"It appears Mr. Clark has changed his mind but we are not sure what his stand is now.

"We're concerned that if we start giving special legislative rights to one province then all provinces will want them.

"No special privileges should be given."

A PENNEY'S WORTH

By Yvonne Penney

The ice is gone from the lakes which should mean warmer weather. People are already talking of planting gardens.

Hal and Helen Burton and Hazel and Jack Gregory arrived home from their vacation in the south last week.

About forty people attended the meeting of the Hal. Cty. Chapter of O.A.C.L.D. held last week at the Legion Hall in Haliburton to hear two fine speakers from

the Five Counties Children's Centre in Peterborough.

Several flocks of wild geese have been seen flying north in the past few days.

Don't forget - if you like to dance - there is a dance at the Stanhope Fire-Fighters Hall this Saturday, April 28th.

Our household was supporting the Toronto Maple Leafs in the N.H.L. quarter finals and were disappointed to see them lose after such a great come-back on Sunday night.

A poem...

Continued from page 5

Some of us run to the ends of
the earth
Looking for precious ore
When we could find heaps of
shining gold
In the heart of a friend next
door.
Some of us waste so much of
our lives
In search of a love supreme—
A love that waits at our elbow,
while
We're seeking it in a dream.

What metal can match the
silver crown
That a precious mother
wears?
What stone can outshine the
hearthstone
When you're lonely and no
one cares?
Treasure is like a will-o'-wisp—
In search of it you may roam
But it always winds up leading
you back
To a little place called home.

Nick Kenny

Cheerio until next time.

KINMOUNT CALLING

By Sam and Margaret Telford

Last weekend we went to Peterborough to take a friend into hospital. On the way home, we deliberately took the long way around, along the Buckhorn Road and up that stretch of Highway 507 which goes to Gooderham. The first time we travelled this road was about eight years ago, and it was like riding on a roller coaster. Most of the time you closed your eyes and hoped for the best. Now it is beginning to get civilized at the southern end, but it is still one of the longest and most beautiful twenty-four miles we travel.

Our Kinmount Legion Ladies Auxiliary have done it again. At a Zone cribbage tournament at the Haliburton Legion on April 14th, Kinmount's two teams came

first and second. The first place team, Gladys Silver, Ruth Menard, Mary O'Toole and Dagmar Simpson won the trophy which is donated by Zone Commander Phillis Montemiglio. The second place team, Nora Brandon, Mary Hartin, Vivien Anderson, and Mary Munro each won a mug tree. After the game a delicious roast beef dinner was served. Next year Kinmount will host this event.

The second dinner meeting of the Kinmount & District Horticultural Executive was held at Kinvale Inn on Thursday, April 19th. The Franzens provided a very good buffet, and then plans were made for the coming season. They hope to employ local young people to look after the town plantings, and the flower show date is set for August 16th. We will hear more details later.

Our column goes in early this week because we will be away for a few days. Perhaps this is a good time for one of our favorite recipes. This one is marvellous to add to a buffet luncheon or supper, or for a pot luck supper in the summer time:

Molded Salmon

2 cups salmon, cooked or canned; 1/2 tbsp. salt; 1 1/2 tps. sugar; 1/2 tbsp. flour; 1 tsp. dry mustard; few grains cayenne; 2 egg yolks; 1 1/2 tbsp. melted butter; 3/4 cup milk; 1/4 cup vinegar (we use white); 1 envelope unflavored gelatin soaked in 2 tbsp. cold water; 2 egg whites.

Mix dry ingredients, add egg yolks, butter, milk, and vinegar. Cook over boiling water until mixture thickens. Add soaked gelatin, and add mixture to flaked salmon. Beat 2 egg whites stiff, and fold into mixture before putting into mold. This mixture just comfortably fills our fish mold which holds about 3 cups. Of course any type of mold or bowl would do. Hope you will enjoy it.

That's all for now. Good night.

THANK YOU

CARD OF THANKS

I would like to express my heartfelt thanks to everyone who showed such kindness to me, during my recent illness.

Your prayers, cards, letters, gifts, visits and phone calls were truly appreciated.

A special thank you to Rev. Douglas Miller for his concern and visits.

Many thanks as well to friends and neighbours for their acts of kindness since our return home.

Sincerely, Percy Brintnell

CARD OF THANKS

I, Ed Luke, of Deep Bay Road wish to thank all my children, relatives and friends for gifts, cards and phone calls in helping me celebrate my 76th birthday.

A lovely dinner was held at the Brown Owl Restaurant where I was presented with a lovely cake with candles baked by Mrs. Lichty. Thanks to all. 4D

Buying garden tools

The success of your garden doesn't depend on the number of tools you own, says Burke McNeill, Ontario Ministry of Agriculture and Food extension horticulturist.

Before you spend a lot of money on tools, consider the total costs, and the size of your garden.

"If your garden is under 90 square metres, all you really need is a spade or digging fork, a rake and a hoe," he says.

"You can turn over the soil and make the beds with a spade or digging fork. Use the rake to level the beds, and the hoe to open seed furrows and to control weeds."

If there is still money in your garden budget, consider buying a trowel transplanting bedding plants, and a pair of pruning shears for shrubs.

Many home gardeners find their gardens require some spraying during the growing season. Hose-on sprayers are ideal for the average garden, says Mr. McNeill. Squirt bottles are adequate for the small plot.

"Ambitious gardeners with large garden plots may find they require a rototiller," says Mr. McNeill. But before you invest in this piece of equipment, consider how many times you will use it each year.

"Unless the rows in your garden are wide enough to use the machine for weed control, you will probably use it only once a year," he says.
